POSITIONS

- 4/16 - now **Cornell University, Ithaca and New York City, New York:**
College of Business
Dean
(Responsible for undergraduate and graduate business education at Cornell University and at Cornell Tech in NYC – a total of around 3000 students and more than 230 faculty members)
- 7/12 – 3/16 **Samuel Curtis Johnson Graduate School of Management**
7/12 – 3/16 Anne and Elmer Lindseth Dean
(Responsible for graduate business education at Cornell University and for the implementation of Cornell’s graduate business school campus in NYC as part of Cornell Tech)
- 8/89 – 8/12 **INSEAD, Fontainebleau, France:**
(INSEAD is one of the largest and highest ranked international business schools with a unique integrated learning model across campuses in Fontainebleau France, Singapore and Abu Dhabi)
- 7/98 – 8/12 The Roland Berger Chaired Professor of Business and Technology
9/99 – 8/12 Faculty Director, [eLab@INSEAD](mailto:elab@INSEAD) (elab.insead.edu)
(Founder and Director of eLab, an endowed research center on digital excellence)
- 9/06 – 8/09 Dean of External Relations
(Responsible for alumni relations, fund raising, global strategy and operations including Middle East campus in Abu Dhabi, marketing and communications)
- 9/02 – 8/06 Dean of Executive Education
(Responsible for all non-degree executive education delivered globally to ~12,000 senior executives generating annual revenues in excess of \$120m, one of the largest such operations in the world.)
- 9/99 - 8/02 Dean of Technology and E-learning
(Responsible for all aspects of the use of technology for innovations in learning and pedagogy)
- 7/95 - 8/99 Co-Director, Research in Information Systems Excellence (RISE)
8/98 – 8/12 Professor of Information Systems, Technology Management Area
7/93 - 6/98 Associate Professor of Information Systems, Technology Management Area.
9/89 - 6/93 Assistant Professor of Information Systems, Technology Management Area.

1/10 – 8/10 **Judge School of Business, University of Cambridge**
Visiting Professor

1/10 – 8/10 **Oxford Internet Institute, University of Oxford**
Visiting Professor

1/99 – 6/99 **Haas School of Business, University of California, Berkeley:**
Visiting Professor
1/98 - 6/98 Visiting Professor.
9/96 - 5/97 Visiting Professor.

9/99 – 5/00 **Athens Laboratory for Business Administration (ALBA), Athens, Greece**
Visiting Professor

1/91 - 6/98 **Solvay Business School, Université Libre de Bruxelles, Brussels:**
Visiting Professor

9/90 - 6/93 **Vrije Universiteit Brussel, Brussels:**
Visiting Professor

6/90 - 9/90 **General Electric Corporate R & D, Schenectady, New York:**
Visiting researcher.
5/88 - 9/88 Summer intern.

5/86 - 8/89 **Computer Science Division, University of California, Berkeley:**
Research assistant.
8/85 - 4/86 Teaching assistant.

5/84 - 8/84 **Schlumberger Japan Inc., Nagaoka, Japan:**
Trainee field engineer.

EDUCATION

INSEAD, Fontainebleau, France (2008-2009)

The Challenge of Leadership (Executive Program – 4 weeks)

University of California at Berkeley, Berkeley, California (1985 - 1990):

Ph.D. in Computer Science (5/90); *major* in artificial intelligence, *minors* in finance and statistics.
Thesis advisor: Prof. L.A. Zadeh, UC Berkeley.

M.S. in Business Administration (12/89); *specializations* in management science and finance.

M.S. in Computer Science (5/87); *major* in artificial intelligence.

Indian Institute of Technology, New Delhi, India (1981 - 1985):

B.Tech. in Electrical Engineering & Computer Science (5/85); *major* in computer networks.
(ranked 2nd in graduating class)

RESEARCH INTERESTS

- Business innovation and technology strategies;
- Technology and innovation policies;
- Social media and big data analytics;

BOOKS

“Global Innovation Index 2016: Winning with Global Innovation”, Co-published by Cornell University, INSEAD and the World Intellectual Property Organization (WIPO), Aug 2016. (<http://www.globalinnovationindex.org>) (Co-edited with B. Lanvin and S. Wunsch-Vincent)
(The Global Innovation Index series of reports has evolved to become the leading global benchmark on innovation. This research continues to have an important impact on innovation and competitiveness policies in countries around the world.)

“The Global Information Technology Report 2016: Innovating in the Digital Economy, Published by the World Economic Forum, April 2016 (Co-edited with Silja Baller and B. Lanvin). (<http://www.weforum.org/issues/global-information-technology>)
(The Global Information Technology series of reports is the leading global benchmark on technology for competitiveness and development. This research has had an important impact on technology and competitiveness policies in many countries around the world.)

“Global Innovation Index 2015: Effective Innovation Policies for Development”, Co-published by Cornell University, INSEAD and the World Intellectual Property Organization (WIPO), Sep 2015. (Co-edited with B. Lanvin and S. Wunsch-Vincent)

“The Global Information Technology Report 2015: ICTs for Inclusive Growth, Published by the World Economic Forum, April 2015 (Co-edited with T. Geiger and B. Lanvin).

“Global Innovation Index 2014: The Human Factor in Innovation”, Co-published by Cornell University, INSEAD and the World Intellectual Property Organization (WIPO), July 2014. (Co-edited with B. Lanvin S. Wunsch-Vincent)

“The Global Information Technology Report 2014: Rewards and Risks of Big Data, Published by the World Economic Forum, April 2014 (Co-edited with B. Bilbao Osario and B. Lanvin).

“Ask, Measure, Learn: Using Social Media Analytics to understand and influence customer behavior”, O’Reilly, Feb 2014 (with L. Finger)
(This book is based on the lessons and experiences garnered from a company on social media analytics, Fisheye Analytics that I co-founded in 2008. Fisheye Analytics has since been sold to the WPP group, the largest communications group in the world.)

“Global Innovation Index 2013: The Local Dynamics of Innovation”, Co-published by Cornell University, INSEAD and the World Intellectual Property Organization (WIPO), July 2013. (Co-edited with B. Lanvin)

“The Global Information Technology Report 2013: Growth and Jobs in a Hyper-connected world, Published by the World Economic Forum, April 2013 (Co-edited with B. Bilbao Osario and B. Lanvin).
