OUTSIDE SCHOLARSHIP RESOURCES

Scholarships from outside the school are available from many sources. Private scholarships may be based on various selection criteria: academic achievement, religious affiliation, ethnicity, memberships, civic activities, hobbies, or special talents. There is some effort involved in securing outside funds. We encourage all students to seek outside scholarships and recommend that you begin your search as early as possible. Below is information we have gathered to get you started.

Note: Johnson does not endorse these sites and recommends that you evaluate these sites carefully.
