- Address: you must include your complete mailing address. Forms received without a mailing address will not be processed.
- Social Security Number: If you have a Social Security Number, you must provide it. Also, if you have ever used a different Social Security Account Number, provide that as well.
- Date of Birth: This form is only for men born after December 31, 1959, who are 26 years old or older. You must provide your complete date of birth.
- Daytime Telephone Number: If possible, provide a telephone number where you can be reached during the day, in case we need to contact you.
- E-mail Address: If possible, provide your e-mail address in case we need to contact you.

SECTION 2:

This section is for explaining and documenting why you did not register with Selective Service. This section consists of five different parts. You must complete and submit documentation for any and all parts that apply to you.

Military: To obtain proof of military service (DD-214, Official Military Personnel File) write to: National Personnel Records Center, GSA, Military Personnel Records Center, 9700 Page Blvd., St. Louis, MO, 63132. Or visit <http://www.archives.gov/veterans/military-service-records>

Incarcerated, institutionalized, hospitalized, or confined to home: For each instance, provide type of confinement, dates of confinement, and supporting documentation.

Non-Citizen / Undocumented Immigrants: If you entered the United States for the first time after your 26th birthday, you must provide documentation to support your claim. **Valid documentation includes:** entry stamp in your passport, I-94 with entry stamp on it. If you entered the United States illegally after your 26th birthday, you must provide proof that you were not living in the United States from age 18 to age 26. Please note: your Resident Alien Card (Green Card) is not valid as proof of entry to the United States.

If you entered the United States as a valid non-immigrant alien, and remained in that status to your 26th birthday, you must provide documentation to support your claim. For example, if you entered the

United States as an F-1 Student, and remained in that status until your 26th birthday, you would need to provide documentation indicating that you were admitted on an F-1 visa and attended school full-time as required. (Acceptable documents for this situation include copies of your I-20s or a letter from the

school you attended indicating your full time attendance as a non-immigrant alien). The same thing applies for all non-immigrant statuses. You must explain, if at any point, you violated the terms of your visa, or overstayed your visa and became an undocumented alien.

You should provide as much information as possible. We will use the information you provide to determine your registration status.

Transsexual: For individuals who have had a sex change. You must indicate what gender you were born as, and attach documentation which indicates this as well.

Reason why you failed to register with Selective Service upon reaching before reaching age 26:

Provide a written explanation for not registering with Selective Service.

SECTION 3:

Sign and date the letter. Return this letter to the address listed with copies of supporting documents, showing proof and anything else you may wish to include. Do not send original documents, as they will not be returned. You should retain a copy of all documents and correspondence submitted.
