

## **Weill Cornell Medical College Student Health Insurance Online Waiver Process Instructions**

All students will be automatically charged for and enrolled in the Student Health Insurance Plan. Recognizing that health coverage may change at the beginning of each academic year students will be asked to provide proof of comparable coverage in order to waive the Weill Cornell Medicine Student Health Insurance Plan.

To document proof of comparable coverage an online waiver form must be completed and submitted by the deadline. The online process is the only accepted process for waiving coverage.

1. Go to <http://www.gallagherstudent.com>
2. Click on "College and University Students"
3. Select Weill Cornell Medical College from the drop down menu.
4. Click on "Log In" (located on the top right of screen)  
Students will need to use their Weill Cornell email address as the Login and their Student ID as the password, upon logging in for the first time.
5. After logging into your User Account you will be prompted to change your password. Once completed, click on "Student Waive" and then select the Weill Cornell Medical College Waiver Form. To complete the 2019-2020 WCMC Waiver Form you will need to provide information from your current health insurance card: name, claims address, and toll-free customer service number of the insurance carrier, the name of the policyholder and policyholder ID or group number. Most waivers will be verified within 24-72 hours. Once your waiver has been verified, an email notification will be sent to the email address submitted on the form informing you of the acceptance or denial of the waiver. The online process is the only accepted process for waiving coverage. International students are not eligible to waive out of the Weill Cornell Medical College Health Insurance.
